Letters to the Editor

(Opinions expressed in this publication are not necessarily those of the BHRA. Alternative view points are always welcome.)

Dear Editor,

First of all I would like to thank all of you who attended the Neighbourhood Watch meeting at the Village Hall and especially those who set up Watch schemes in our Village. There are still areas which do not have schemes, and if any of you are interested, please contact me at Histon Police Station. I will be pleased to explain what is involved.

On the crime front, we are still having cars broken into, and with summer upon us, we are likely to get an increase in thefts and damage. Please keep your property secure and a wary eye on suspicious people and vehicles in the Village. Last, but not least, congratulations to those pupils of the School who recently passed their Safe Cycling Test !

PC Rob Morris (9)232222

Neighbourhood Watch Appletrees

Two small schemes are in process of being organized for Appletrees. If anyone is able to act as co-ordinator for a mini-area (and it would be great if someone were willing to act as main co-ordinator for all the mini-areas) please contact P.C. Morris at Histon Police Station (9 - 232222).

Cost to members of Neighbourhood Watch is minimal (to cover signs on relevant lamp-posts and a communal valuables marking kit). There are several freebies and the possibility of reduced insurance premiums for members, too. Any Appletrees resident who is able to obtain free photocopying (the occasional newsletter, etc.) please volunteer via P.C. Morris

Nature Reserve

I would like to take this opportunity to thank:

Meg Wilson from Domino, for the bench now sited at the nature reserve.

Veronica Webb , for looking after it for me,

Cliff Stamp (builder) for installing it at the site,

Mr. & Mrs. Shah , for some contents of their pond,

Rosemary Leach and **Mr. & Mrs. Colver** , for their cheque donations to the Nature Reserve,

Mr. & Mrs. Hayden of Foxhollow, for the 300 foxglove plants,

Jane Silk , who brought an injured thrush to my house, after it flew into her window. Well, it made a full recovery, and was released at the Nature reserve.

A good percentage of the nest-boxes are being used, mainly by Blue Tits and Great Tits; both are feeding young at the moment, as are the Goldfinches, which are nesting at the reserve (a list will be produced later).

For the past couple of months, my wife's kitchen has been like a small hospital containing several small mammals and birds brought to me by concerned residents. They have luckily all made a good recovery and were safely released back into the wild.

People have asked me over the months since I started doing the warden's job, how much I get paid for doing it. I don't get a penny. I do it because of my love of nature and my love affair with the countryside around me. I only wish I could do this job all the time, but I earn my money from the Cambridgeshire Fire and Rescue Service as a full time fireman.

By July, the first litters of young squirrels will be leaving their dreys to compete for food with their parents... Squirrel food is scarce at this time of year (buds and flowers are over, nuts and berries aren't ready yet). A squirrel table is worth considering, stocked with grains, hazelnuts, sweet chestnuts, fresh fruit, crushed peanuts and sunflower seeds, it can make a lot of difference to them.

I don't like to see too many signs in the countryside, but there are 3 small signs situated at the entrances to the Nature Reserve, asking dog walkers not to let their dogs foul the area. If unfortunately they do, could the owners please clean up behind them, it makes the walk so much more pleasant if you don't have to keep looking where you are treading. Thanks.

I saw a quote the other day...

They hang the man and flog the woman,
who steal the goose from off the common,
But let the greater criminal loose,
who steals the common from the goose!

Nick Richardson

Parish Council Notes

The monthly meeting of the Parish Council was held on Thursday 15th July at 7.30 pm in the Old Farmhouse.

Play area by school

Certain recommendations, made by a representative from the City Council to improve the area, will be undertaken by the Parish Council.

Fencing of area near village hall by playgroup.

Permission was granted for the Village Hall Playgroup to erect a fence enclosing a play area for the children, in order to comply with Playgroup Association recommendations. The actual siting of this fence has been agreed by the Parish Council by submission of a sketch plan.

Gas Provision to Sunshine Playgroup

The Parish Council granted the request from Sunshine Playgroup for their building to be connected to the mains gas supply via the Old Farmhouse. The Playgroup will of course have their own meter.

Weeds on village green

A contractor is to be asked to assess the situation regarding weeds on the village green and to ensure that broad-leafed weeds do not become a problem.

Policy on sale of land

The Parish Council re-affirmed their policy of not selling land to residents in the village.

Charterhall Properties Development Proposal

There had been a meeting between Councillors and a representative from Charterhall Properties on 1st July. Following this meeting, the Parish Council have asked that a Public Meeting be held later in the year once the Department of Transport have made a firm decision regarding the A604.

Empty Building on TESCO site

The Clerk was asked to pursue this matter again with the Environmental Health Department, as the building was considered to be dangerous and an eyesore. Councillors would like to see the building demolished as soon as possible.

Resignation of Councillor

Mrs. J. Nix resigned from the Parish Council. A Casual Vacancy will therefore occur. Any residents interested in filling this position are advised to refer to the Parish Council notice-board (next to post box at the end of the Mall) for notification of co-option.

Mrs. C. McDermott,
Clerk to the Parish Council,
The Old Farmhouse, Bar Hill CB3 8DY, **780456** (Clerk available weekday mornings)

Please note - the next full Parish Council meeting will be held on Thursday 16th September.

Bar Hill Guide

I would like to thank the people who deliver the Bar Hill News for being so cooperative and making an extra delivery last month to enable **the** Bar Hill Guide to reach every home in the Village with the minimum delay. Their efforts are very much appreciated.

Urgently Required

One collator and one or two persons to deliver the Bar Hill News in Appletrees

Bar Hill News

Occasionally we need extra people to cover for the regular helpers collating/delivering in times of sickness or holiday.

Collating involves sorting and stapling 100 copies of the Bar Hill News (15 sheets each). This takes about one hour of your time! With practice you can even do this in front of the television.

Delivering involves posting about 50 copies of the Bar Hill News through your neighbours' letter boxes! This takes about half an hour.

Help in any aspect of producing the Bar Hill News is always appreciated.

TESCO Computer Vouchers

I promised to tell you what the final total was of our collection this year. You will probably be as surprised as I was to learn that we totalled over 13,500 vouchers, almost twice as many as last year. When one considers that each one of those vouchers represents £25 spent in TESCO, one almost needs a computer to work out the total amount of money spent !

With these vouchers we have 'bought' a high quality lap top computer, a number of concept keyboards, which are pieces of equipment which help young children use a computer, two ink jet printers and a number of additional pieces of equipment.

We have calculated that the benefit of these items to the School is in the region of £3500 and of course we are grateful to TESCO as well as yourselves for the opportunity to acquire this equipment free. However, it does make one think about the cost to TESCO when you have completed the total spending sum I proposed earlier!

Incidentally we are now collecting the WH Smith vouchers (1 voucher for ever £2 spent) and will shortly be collecting the Boots vouchers for sports equipment. Again I send the thanks of all the children of the School for your support.

R. L. Kilsby, Headteacher

Swavesey VC Patch

This year the autumn brochure will be different. In order to reduce costs, the Patch 'Booklet' will be replaced by the Patch 'Leaflet'. Please look out for a red leaflet, which will be delivered to every house in the area via the free paper on the 11th or 12th of August. We shall also sprinkle them in local Post Offices, Libraries and shops in the area.

Classes for adults include:-

Advanced Driving, Aromatherapy, Badminton, Calligraphy, Cookery, Cycle maintenance, Dancing, Dressmaking, Embroidery, Estimating, Flower arranging, Food hygiene, Guitar, History, Human Biology, Hypnosis, Keep Fit, Languages (French, German, Italian, Spanish), Medicine, Music, Typing, Painting, Photography, Pottery, Yoga, ... and much more.

World week at Bar Hill School July 12 - 16th 1993

For World Week we wanted to look at different parts of the world and learn something of how people lived, their culture, arts and crafts.

Preparations began with teachers and children decorating the school with flags from other countries and displaying a variety of artifacts. At the beginning of the week children visited the African Village of Aklowa in Takeley, Herts., where they participated in a variety of traditional activities including dancing, drumming, costume, canoeing and cooking. Others visited the "Americas" exhibition in Cambridge.

Many visitors came to school throughout the week, to talk about countries they came from or had worked in such as Peru and Brazil, bringing in a wealth of artifacts and slides. We had talks from several members of Bar Hill's International Women's Group.

Stanley Toyai, an African art teacher from Nigeria, spent two days with the Reception and Infants doing tie-die and batik, helped by teachers and parents. His comment was "wonderful, wonderful!". Friday was the big event. TESCO's provided an interesting selection of African fruit and vegetables to be made into dishes by the parents and visitors who cooked with the children. The Aklowa team spent the afternoon with 150 children, preparing for the evening event of drumming, dancing and having lots of fun. By 5 pm everyone was ready. The International Group set up exciting stalls of delicious foods and interesting, colourful displays and costumes.

Oxfam and Christian Aid had stalls. Parents sent in a wonderful selection of things to buy, eat and drink, from Ful-Sudani to Mango Juice.

Mrs. Lemon made a spread of all the goodies and her special cold mint tea. Teachers and parents rushed to be ready.

Outside, the Woodcraft Folk set up a silk parachute to make a ring of children's activities.

Aklowa and children gave an energetic and superb performance, joined by all those around, keeping time to the drum beat.

By the end of the week we had all learned a lot about other people around the world.

I would like to thank Mr. Archer from TESCO's for being so helpful in giving us fruit and vegetables; the International Women's Group; the Yorkshire Bank for donating £20; and all the visitors, parents, teachers and children who helped to make such a successful and happy week.

Bar Hill Sports and Social Club

Hello again everyone,

The Committee tried very hard to find a good penman to write the column this month but while we had those who knew they could do better, no one actually volunteered, so here I am again.

Firstly I must put right my mistake in the letter I wrote to last month's Bar Hill News, where I stated "Tim Reed was presented a well earned Honorarium at the AGM." It should of course have been Honorary Membership. For those who don't know it, Tim always refused to draw the cash Honorarium to which officers are entitled as a reward for their hard work (should funds allow) .

There has been a rumour going round the Social Club for several weeks now that everybody's favourite uncle, Dick Williams, has at last managed to turn himself and Pat into grandparents. Unfortunately Dick in his usual demure fashion categorically refuses to comment on the subject, remaining tight lipped about the whole thing. Should the rumour have any foundation I'm sure Dick will be having a compulsory slide show soon. Congratulations.

Those of you who missed Kriss Kross really were unfortunate, for while he may not be on Mary Whitehouses' Xmas card list he certainly had us all well entertained with his *different* humour.

Friday August 6th is barbecue night , Jake and Mel are selling the tickets starting the week before, as well as doing all the organising, Barry is running the disco and with Master Barbey chefs Mick Egan and Geof (2 f's) Callcutt on the charcoal it should be a perfect evening, so get your tickets and come along to have a gourmet evening.

On **Sunday 8th August** we have the annual Wrinklies cricket match which is always a great day for sports fans and buffet fans young and old.

On **Friday 20th August** we are to be entertained by Jono, then on **Friday 27th August** good old Cadiz will be here for another great musical evening.

The new gaming machine is proving very popular with the exception of its musical chip which could drive regular gamblers to the golf machine.

Don't forget that you will be able to renew your membership from August the 1st. Either myself or Lesley will be there from 7:30 to 9:30 most weekday evenings. As I said last month the cost of joining remains at £3:00 for full membership until November 1st, after which membership costs will be £1:00 for Senior citizens and £5:00 for full membership, so renew early and save pounds.

Anyway I have to go to the vet's, but now you know as much as me about what's going on, perhaps I'll see you in the club soon to renew your membership.

Cheers again,
Geof Walker.

Colts Football

The Annual General Meeting of the Colts, held on 22nd June, was well attended, and saw the following committee elected for the coming year:

Chairman - Ron Hodierne
Vice-chairman - Mervin Pope
Treasurer - Jim Charlwood
Secretary - Diane Chapman

Team Managers: Under 8's - Ed Zuiderwijk, Under 9's - Brian Tanner, Under 10's - Ian Croft, Under 11's - Mike Brown, Under 12's - John Houston, Under 13's - Chris Graham, Under 14's - Mick Egan, Under 15's - Bob Cordiner, Under 16's - Dave Kember.

Parents Rep. - Alan Drake
Publicity - Neville Watson
Entertainments/Social - Diana Birley.

With the new league season now only a few weeks away, we have again entered seven teams in the Cambridge and District Colts League at all age levels, from Under 10 upwards. Any budding footballers reading this article who wish to join any of our teams should contact the team managers or a committee member. From early August practice sessions start on the Village Green on Saturday mornings (times vary between 9.30 and 11.00), so if you have not made a contact with the aforementioned here is your chance to introduce yourself. Registration fees have had to be increased this season to £5 for non-league team members, and £10 for league players. This unfortunately is the result of increased costs in administering the Club and the effects of the infamous recession (gets everywhere doesn't it?) affecting the level of sponsorship we receive.

One way of raising money for the Colts is through our Social activities and anybody who attended the Summer Disco and Barbeque on 3rd July will no doubt tell you that it was a resounding success. Thank you to all the 100 plus people who attended and supported the Club. The following afternoon, which must rate as the hottest one so far, saw those fit enough after the disco to turn out for the annual Dad's Five-a-side tournament. This was the third year of the event and resulted in a new name being engraved, that of Ian Crofts's under 10's dad's team who beat Chris Graham's under 13's dad's in a close fought final. Rumour has it that most of the Dads will be training through the winter months to avoid any further criticism of their level of fitness!

Finally, you are invited to attend any of our Committee meetings, which are usually held on the First Tuesday of the month at 8.00 pm. Having said that, August is the exception, as that month's meeting is on the 10th in the Village Hall meeting room.

Bar Hill Pre-School Playgroup

The Pre-School Playgroup is held in the Village Hall and is open to children from three years to school age.

Facilities include:

The messy room

This room is used for activities such as painting, drawing, water and sand play, cutting out, playdough, and making seasonal items.

The play room

This room is used for encouraging creativity and imagination through the wide range of toys available such as jigsaws, books, games, dressing up clothes, kitchen, workbench, playshopping and many more activities.

The Playgroup sessions are run by our four Supervisors, Brenda, Jan, June and Heather.

If you would like to have a look around or register your child, please feel free to pop in at any time, or contact our administrator, Jenny Dedman on **782037** before 7.00 pm.

We would like to say goodbye and good luck to all the children who are leaving us and starting School in September. We also hope that you all enjoy your summer holidays.

Baby-sitting Circle

Do you have problems finding someone to look after your children while you have an evening out? Your problems are solved!

Bar Hill has two main baby-sitting circles, both run on a "token" system, which means that tokens are used as payment for a sitter - so no money changes hands. The other advantage is that your sitter will always be a mother, who, having children of her own, can be relied upon to act responsibly towards your children.

There is no obligation to baby-sit at any time and you can use the circle as often or as little as you want.

If you would like to know more about joining a circle, please contact either Chris McDermott **782401** or Jacky Amey **780249.**

Parent & Toddler group

Bar Hill Parent and Toddler group is run for the benefit of children aged 12 months to 3 years, in conjunction with their parent, minder, or grandparent, etc. in Bar Hill or surrounding areas.

The sessions are as follows:

Day	Time	Supervisor
Mon.	10.00 - 11.30 am	Jo Hall
	1.30 - 3.00 pm	Jo Hall
Tue.	10.00 - 11.30 am	Mary Wilby
	1.30 - 3.00 pm	Pat Collinson
Wed.	10.00 - 11.30 am	Pat Collinson
	(12 - 18 month Toddlers only)	
Thu.	10.00 - 11.30 am	Mary Wilby
Fri.	10.00 - 11.30 am	Jo Hall

Toddler Group's activities range from messy play, painting, singing, and sand to large activity toys, and much more. Apart from giving you and your child the chance to take part in these activities, it allows you to meet other children of a similar age, and their parents. If you wish to attend any of the above sessions, please contact Cathy Free **782405**. Fees are payable termly and there are concessionary fees for single parents or those with special circumstances. (Please note, however, due to a tight budget, we are unable to give refunds for sessions missed due to illness, holidays, etc.). Please feel free to call in on any session before your child joins. The supervisor would be pleased to meet you.

Diary Dates

Wednesday 1st September - Funday 'Animal' theme 10.00 -12.00 am at Toddlers, incorporating fee collecting for the Autumn term. There will be an 'animal' fancy dress competition, face painting as well as the usual painting, playdoh, toys and a free Bouncy Castle. Free biscuits and a drink will be provided. Entry fee for the fundays will be £1 per child and 50p for a second child attending.

Monday 23rd August - Summer Trip to Hunstanton. Toddlers has some seats available on the luxury coach hired to go to Hunstanton. For only £4 per head, you can go to Hunstanton in comfort on a coach which provides toilet and drinks facilities. The coach would leave Bar Hill at 9.30 am and return home at approximately 4.30 pm. Should you require seat(s), please telephone 780812 as soon as possible.

By the time many of you come to read this, some 'toddlers' will have left us to move on to Playgroup. Best wishes and good luck to them all!

Woodcraft Folk

'Woodcraft' means the skill of living close to, or in harmony with nature, like the Indians of North America. If we can learn to respect our environment, we can hope to make the world a better place for the future.

We had an interesting visit to the St. Matthews Elfins in Cambridge last month, where we made mobiles and sang songs. The children enjoyed the evening immensely.

We open again on Friday 17th September at 5.45 pm, school hall as usual.

To register your child contact Christine Welburn **782978.** For further information and to arrange a visit contact Heather Sales **780859.** Other leaders are Jo Griffiths and Heather Sinclair.

Cricket Club News

Paul Harrowing has led the first team well this year although the results have not been as good as we might have liked in the higher league. Out of 9 matches we have won 3, lost 4 had one match drawn and the rain won one.

Peter Lemon and the second team has fared better with 6 wins out of 7 matches played.

Our friendly matches continue to be fun and well supported with Mark Nunn as the captain. The match against the Blue Ball on the Fitzwilliam College ground was great with six 6's being hit during the game and 5 lost balls.

The Mid-week league has also been fun and Chris Tabbitt's captaincy has led us to 4 wins out of 7 matches played.

The under 15's played a friendly against St. Ives in mid July and, although we did not win, played well at both batting and bowling. They are the future of the Club and we hope to enter an under 15's side in the official leagues next year

Our fixtures for August are:

7th	Sat	2.30	Away	Horseheath II.	1st	League 3S
7th	Sat	2.30	Home	Cottenham II.	2nd	League 7B
8th	Sun	2.30	Home	Wrinklies		Friendly
14th	Sat	2.30	Home	Melbourn	1st	League 3S
21st	Sat	2.30	Away	Romsey	1st	League 3S
21st	Sat	2.30	Home	Milton III	2nd	League 7B
3rd	Mon.	6.00	Away	Blue Ball		Friendly
28th	Sat	2.30	Home	Abington	1st	League 3S

1st Bar Hill Beaver Colony

As from 1st August, I am having to close the Beaver Colony waiting list and also announce there will **not be** any more boys admitted to the colony until at least **3** new leaders are found. We have 15 boys of Beaver age on the waiting list waiting to join. We need **2** colonies of 18 boys which means **7** new leaders are needed. There must be a lot of people in Bar Hill who had fun, made new friends and learned many skills in either the Guide or Scout movement. Think of our youngsters in Bar Hill and give **them the** same opportunities!

Bar Hill Allotment and Gardeners Society

The society is very grateful to those who donated mowers to it a few months ago, and with the help of these machines we have been able to keep the site much tidier. However, there are still some areas which cannot be tackled with mowers, and we are now appealing for a petrol driven strimmer. If anyone has one which they no longer require and would be prepared to donate it to the society it would be put to very good use. Please contact the chairman, Steve Thomas, 146 Hillcrest **(781602)**.

The Royal British Legion

A ceremony was held at Ely Cathedral on the 25th July for the laying-up of the Eastern Area Standard, and our own Bar Hill Standard was on parade with 10 members in attendance.

The decision to discontinue Area administration is part of a much larger programme to reorganise the Royal British Legion.

Remembrance Sunday and Poppy Appeal may appear to be in the very distant future, but with so much work to be done in preparation now is the time for us all to be making plans.

For the many tasks this involves in October and November we urgently need the help of as many volunteers as possible to carry out House to House collections and to stand at the selling positions at TESCO, where we hope again to have our Field of Remembrance.

If you can possibly spare a little of your time for this appeal please ring :-

Happy Hours
Bar Hill Senior Citizens club

Since our last issue in July we are happy to report that Winn Asprey has now rejoined our happy throng; nice to see you back Winn. Lillian Gilbert is now back at home from hospital and I am sure she would welcome any friends to visit her at 14, Partridge Drive. I would suggest you give her a ring first on **781604** to see if it would be convenient so as not to clash with her health visitor. Ada Milton does make frequent calls to her and will keep you posted as to the situation. We have arranged to collect Lillian each Monday to visit Happy Hours. Get well again Lillian, we do miss your lovely smiling face. Mary Eccles although out of hospital, may be going back for a few days for further treatment; again hurry up and get well Mary. Hoping Nancy Coop is making a speedy recovery.

Alarm System - We were extremely fortunate to have Terry Barnes give us a talk on alarm systems for our houses and cars, and also personal alarms. Several members have certainly purchased a house alarm and they are certainly what we need with today's break-ins. I cannot but stress most strongly that whenever you leave your houses for shopping or any other jaunt, please make sure you have securely closed all windows and doors. Another little reminder, those with garages and garden sheds, Please keep them locked at all times. Garden furniture, workshop tools etc. are constantly being stolen. If you wish to know any additional information regarding the Alarm System give Terry Barnes a ring on **780221** or contact me. - **It's a must!**

Forthcoming events/trips for August

Mon. 2nd - No meeting - a coach outing to be notified later

Mon. 9th - "Raffle" under the care of SID and Sales Table under the care of Edie and Olive

Mon. 16th - To be advised later

Mon. 23rd - To be advised later

Mon. 30th - Bank Holiday - no meeting

The Fete - Our Chairwoman would like to thank sincerely all our members who helped with the Fete in so many capacities, cooking, running raffles, bowls, gifts of all descriptions for the sales table. Phyllis has thanked those at one of our Monday Meetings, of course not everybody was there - so again a thousand 'thank yous' for your valuable contribution. The sum we achieved was in excess of our 1992 total, viz. £135 approximately. Well Done!

Club Competitions - These have now been completed and thanks to those members who ran their particular games sections.

Home Help - Just a tiny reminder to our July edition, if you require help of any description, please ring Phyllis on **781124**

Personal File - Amongst our 100 odd members there are many of you who have lived some very interesting lives and I have been giving thought for some time now to highlight some of the most interesting factors and lives you have lived through. Please , I do not wish to pry into your lives, but I feel sure that I could produce some very interesting facets bearing in mind the number of years we are going to cover. In some cases we are looking back over 80 years - who will volunteer as one of the guinea pigs? The type of information I would like to portray, how long you have been married, number of children, grand children, great grand children, what sort of occupations you had, hobbies, holidays you enjoyed, things you thoroughly dislike. Remember, this will bring quite a new concept to the Villagers of Bar Hill who will never know the times in which you lived even back as far as World War I - now that will make some of you think. Equally so if you could give us a talk one Monday afternoon on your lives - volunteers please ?

Brain Teaser

A card player holds 13 cards of four suits, of which seven are black and six are red. There are twice as many hearts as clubs, and twice as many diamonds as hearts. How many spades does he hold?

Last month's teaser

104 - each number is the sum of the digits in the previous number, added to the previous number (88 + 16 = 104)

Happy Holidays !
